Matching grant opportunity!

Dear Friend of Janie Garrett,

You know Janie Garrett, maybe better than I do. I appreciate her ministry because it adds real value to the global work of SIM. I'm excited to tell you about a **matching grant** that will help her and SIM.

SIM has over 800 active U.S. missionaries serving here and in nearly 70 countries on six continents. You can imagine all it takes to undergird this expansive effort. That's why your partnership with Janie is so vital. Is someone's work at the headquarters of a global enterprise really that important? Our missionaries serving overseas or in a city of the U.S. say, "Absolutely! I cannot do the ministry here without having people support and enable my efforts from SIM USA."

Would you prayerfully consider helping Janie in two ways?

First, would you take a moment now to pray for Janie? Thank God for calling her into ministry and using her skills for His kingdom. Ask Him to care for and encourage her. Thank you for that.

Second, would you consider partnering with Janie through a recurring investment in her ministry? **Through the generosity of some caring donors, new or increased gifts given through February 29, 2016 will be matched.** You may also give annually or quarterly. If you already support her ministry, please pray about increasing your investment. If you are unable to give regularly at this time, would you consider a special year-end "ministry encouragement gift" to Janie?

Your help is extremely appreciated. Janie could not minister without being in partnership with others. When you mail gifts to SIM at the address on the letterhead, please include her missionary number: 27392. If you prefer giving to her account directly through our secure website, click here: [Give to Janie](#).

Thank you for taking to heart Janie's need and the value of her ministry.

Blessings to you,

Bruce Johnson
President | SIM USA
